

September xx, 2018    **For Immediate Release**

Innovative parenting and lifestyle magazine - xxx.com announces on-line launch – xcxcvxx, California September ##, 2018

If you're a parent, fashionista or just like to try great beauty products, the contemporary on-line magazine - Xxx.com is today's hottest source of fresh, current information. With new articles every day that include tips on the latest beauty products and trends and innovative ways to raise children, Xxx.com is the place to be!

Established in April of 2018, Xxx.com is quickly becoming a top source of information on topics that parents need and want. Xxx.com writers are parents, beauty bloggers, business professionals, the young and the young-old. Our writers review products that make our lives easier, share great recipes, tell funny stories about their parenting experiences or dish on the hottest trends in beauty products.

With your coffee in the morning or a glass of wine after work, check out Xxx.com to help you maneuver through your busy life while you look good doing it!

*Founder JB is an established writer, graphic artist, entrepreneur and, most importantly - mom! Her goal for xx.com is be the first stop for modern parents seeking advice, information or a humorous look at modern parenthood. xxx.com provides solutions for busy parents in the form of quality articles that are packed with tips written for parents on the move.*
